

**SECTION B--SUPPLIES OR SERVICES AND PRICES/COSTS
SCHEDULE OF ITEMS****SCHEDULE OF ITEMS**

The labor categories below are intended to provide a format for offering unit prices. Offerors should develop their business proposals for the work described in Section C and the instructions in Section L. Prices for services not included in the Schedule of Items but required for a particular task order will be negotiated prior to issuance of a task order. Offerors should list additional personnel positions, equipment, and other rates anticipated to be used under this contract but not indicated below.

AGAR 452.216-73 Minimum and Maximum Contract Amounts (FEB 1988)

During the period specified in FAR clause 52.216-18, ORDERING, the Government shall place orders totaling a minimum of \$2500.00, but not in excess of \$4,900,000.00

Multiple Awards:

The Government expects to make 7-15 awards from this solicitation. Offerors may submit an offer for one or any combination of the work activities and for each of the five (5) geographic areas covered by this solicitation; however, for any activity and geographic area selected, offerors must price all three years. The Activities are:

ACTIVITY I - Emergency and Incident Response

ACTIVITY II - Hazardous Materials Surveys, Assessment/Testing/Abatement

ACTIVITY III- Tank Related Services

The Geographic Areas are: (see Section C-3 for more specific locations)

Western Washington

Eastern Washington

Southwest Oregon

Northwest Oregon

Eastern Oregon

Alaska

SECTION C--DESCRIPTION/SPECIFICATIONS/STATEMENT OF WORK**SCOPE OF CONTRACT****LOCATION AND DESCRIPTION**

The majority of the projects will be for the Forest Service in the Pacific Northwest Region (Region Six) **and the Alaska Region (Region 10)**. Additionally, the Contractor may be offered the opportunity to perform work for the Forest Service and other government entities outside Regions Six **and Ten**. Any work outside Regions Six **and Ten** is at the option of the Contractor.

The Forest Service will generally exercise the scope of the contract in the States of Oregon, Washington, **and Alaska** with occasional tasks in Idaho ~~and Alaska~~. The intent of this contract is to secure the technical services of one or more Contractors to provide services for the following geographic areas:

Western Washington – National Forests including the Gifford Pinchot, Mount Baker-Snoqualmie, Olympic, and Research Stations within these areas and the State of Alaska.

Eastern Washington – National Forests including the Colville, Okanogan-Wenatchee, and Research Stations within these areas.

Southwest Oregon – National Forests including the Umpqua, Rogue River-Siskiyou, and Research Stations within these areas.

Northwest Oregon – National Forests including Mount Hood, Willamette, Siuslaw, the Columbia Gorge National Scenic Area, and Research Stations within these areas.

Eastern Oregon – and a portion of western Idaho – National Forests including Deschutes, Ochoco, Wallowa-Whitman, Fremont-Winema, Umatilla, Malheur, Hells Canyon National Recreation Area, and Research Stations within these areas.

Alaska – National Forests including the Chugach, Tongass, and Research Stations within these areas.

Contractors shall demonstrate the ability to fulfill the required tasks with in-house personnel or subcontracted partners.
